---	---

† One year course.

†† Course taken over two years.

††† This unit is taken by students entering the MA program who have not completed the MIECAT Graduate Diploma.

†††† Course taken over four years. There may not be an intake into this program every year, please contact the MIECAT office for further information regarding fees..

Payment — Fees are invoiced on a per-semester basis for the Graduate Certificate and Graduate Diploma and at the commencement of the year for the MA and Professional Doctorate courses. Full payment (per invoice) is required prior to commencement of training. All cheques are to be made payable to “MIECAT Inc.” at the address listed on our website. Please contact the office closest to you for further details regarding payment arrangements.

Changes in Fees — MIECAT reviews fees annually and reserves the right to amend course fees in order to cater for the natural or unexpected rising of costs – should this occur, increases will only apply to amounts (units) outstanding post a specified date (i.e. end of financial quarter etc). We will endeavour to do our best to ensure student inconveniences are kept to a minimum. Please check with administration on a regular basis to confirm class fees or refer to the ‘News’ section of the MIECAT website for possible updates to this document.

Withdrawal or Cancellation — Students who withdraw from a course after Census Date will not be entitled to a refund of fees paid. A student who has applied for Fee-Help will still incur a Fee-Help debt. MIECAT will make every effort to keep to the advertised course dates, but reserves the right to cancel or postpone courses if minimum numbers are not reached. In the event of minimum numbers not being met a full refund will be made. MIECAT shall not be liable for consequential loss of income, travel or accommodation costs, or other losses that students may incur by any cancellation or postponement.

Further detail — A number of supplementary guides and a timetable of course subjects are downloadable from the MIECAT website or available from the office.

2009 FEE-HELP Table

Unit of Study				Dates		
Code	Description	Tuition Fee	EFTSL Value	Start	End	Census
GEA101	GRAD DIP SEMESTER 1	\$2,500.00	0.25	02/03/2009	22/06/2009	03/04/2009
